CIRCULAR FOR KAUSHAL VIKAS AND KAUSHAL BODH ACTIVITIES

Dear Parents,

In keeping with the vision of NEP 2020 and the NCF-SE 2023, Vishwa Bharti Public School Dwarka is taking a proactive initiative to strengthen vocational education, experiential learning and practical life skills among its students.

As part of the school's continued endeavour to provide meaningful, skill-based and future-ready learning opportunities, a series of hands-on Kaushal Vikas and Kaushal Bodh workshops will be organised for students of Classes V to IX, commencing from 25 September 2026.

This initiative reflects the school's commitment to going beyond textbook learning and creating opportunities where students learn by doing, explore their creativity, develop confidence and acquire practical skills. Such programmes contribute significantly to the holistic development of our students and strengthen the school's culture of innovation, self-reliance and experiential learning.

Five-Day Skill Development Modules

1. 🏺 Pottery Workshop

Clay-handling techniques, wheel and hand-moulding basics, and creative object making.

2. 🪞 Lippan Art Workshop

Introduction to the traditional mud-and-mirror art form, pattern creation and creative designing.

3. 🪚 Carpentry Workshop

Safe and responsible use of basic hand tools, measuring, sanding and assembling techniques.

4. ⚡ Electrical Skills Workshop

Understanding simple electrical circuits along with basic wiring demonstrations and safety practices.

5. 🧵 Textile Designing Workshop

Exploring fabric and colour basics, pattern drawing and creative textile-design activities.

The workshops will be conducted over five days by skilled artisans/practitioners, providing students with authentic hands-on exposure and experiential learning.

A SCHOOL INITIATIVE FOR HOLISTIC GROWTH

Through such initiatives, Vishwa Bharti Public School Dwarka continues to invest in the development of well-rounded, skilled and confident learners. The programme is designed to nurture creativity, problem-solving abilities, dexterity, collaboration, patience and respect for traditional as well as contemporary skills.

We believe that education becomes more meaningful when knowledge is transformed into skill and skill into confidence. We look forward to the enthusiastic participation of our students and the continued support of parents in making this initiative a success.

Participation Fee: ₹500/- per student

Total amount is payable online through the Acevate app only
